

CITY OF LAFOLLETTE, TENNESSEE

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AND STATE AWARDS

June 30, 2017

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal and state award activity of the City of LaFollette under programs of the federal government for the year ended June 30, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Because the Schedule presents only a selected portion of the operations of the City of LaFollette, it is not intended to and does not present the financial position, changes in net position, or cash flows of the City.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the modified accrual basis of accounting. Such expenditures are recognized following the cost principles contained in *Uniform Guidance*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years.

NOTE 3 - INDIRECT COSTS

The City participates in certain federally funded programs which allow indirect costs to be charged and include them as a line item in the grant budget. However, if the grant budget does not specifically provide for indirect costs to be charged, none of the indirect costs are reported as costs to the grantor nor are the costs included or presented in the schedule of expenditures of federal awards and state financial assistance. The City has elected not to use the 10% de minimis rate as allowed under *Uniform Guidance*.
