TRUNK OR TREAT

OCT.27th 2018

Trunk or Treat is "the best" alternative to Halloween. It's a family event where participants gather in a circle and decorate their trunks in a positive theme. Children can get FREE candy by going from trunk to trunk in a safe and fun environment. Children remain safe since the parking area is closed off during the event. Parents will be assured of the safety of the candy their children receive and the positive atmosphere they will experience. The City of LaFollette would like to invite all LaFollette businesses and churches to participate in this community event.

This is a **FREE EVENT**

Please read over **Trunk or Treat Guidelines.**

Deadline for Registration is Wednesday, October 24th, 2018

TRUNK OR TREAT

GUIDELINES

Guidelines have been set for Trunk or Treat because we do this as an alternative to Trick or Treating. This event offers a positive and uplifting choice for parents and children to participate in. Therefore, the following are our guidelines. We ask for your full cooperation in this.

1. Must register your business/or church trunk and theme by deadline.
2. Be sure to check if you will need electric or not. If your trunk needs electric, you will be responsible for supplying your own extension cords.
3. Must be at Trunk or Treat location by designated time and have trunk decorated ½ - 1 hour before function begins.
4. Themes of trunks should portray good and not evil. **No evil themes will be permitted**, such as witches, blood, Dracula, mummies, devils, ghosts or anything falling under an evil subject or frightening matter.
5. Each entrant should have at least \$150.00 dollars' worth of candy to be able to hand out to 7,000 kids. (Don't worry, the City will help with extra candy.)
6. Trunks should be colorful, creative, fun, and exciting with entire trunk decorated.
7. Once the cars are parked, no one is allowed to leave until the event is complete. (this will be signaled by an announcement over the megaphone)
8. We encourage everyone to dress up according to your trunk theme.
